

Sports Premium 2017 -2018 Overview of Proposed Spending

Our Vision Statement for PE and School Sport at Norton Free C of E Primary:

To challenge every child to fulfil their physical potential and to lead active, healthy lifestyles whilst having fun.

Purpose of funding: Schools must spend the additional funding on improving their provision of PE and Sport.

Vision: All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport. The premium must be used to fund additional and sustainable improvements to the provision of PE and Sport for primary aged pupils in the 2017-2018 academic year and to encourage the development of healthy, active lifestyles. Allocations for the academic year 2017 – 2018 are calculated using the number of pupils in Years 1 -6, as recorded in the January 2017 census. This means we receive £8000 plus £5 per pupil. This year the money has been doubled so we will receive approximately **£17,820 for the school year**. Through the use of the Sports Premium we aim to see **improvement** against **5 key indicators**:

- The engagement of all pupils in regular physical activity.
- Raising the profile of PE and School Sport across the school as a tool for whole school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and Sport
- Broader experience of a range of sports and activities offered to all pupils
- Increased Participation in competitive Sport

Area / Proposed use of funding	Approx Cost	Objective	Impact
Payment to Points Sport Partnership	£800	Becoming a member of a Sports Partnership allows us access to school games competitions and opportunities for CPD across the school as well as other opportunities e.g free resources or free access to coaches. This year we had the opportunity to provide taster sessions in Judo across the school. Free resources include Judo Taster sessions across the school – each class gets to experience Judo from Coach from 'Destination Judo', cricket taster sessions,	Becoming part of the Sports Partnership in 2017-2018 has enabled us to keep abreast of current developments in PE and school sport, provide a specialist PE teacher to support teachers with their CPD over this academic year, enter a variety of competitions for KS1 and KS2 and deploy a coach to work with teachers in Y1, Y3, Y4 and Y5 to support the delivery of orienteering. This year the Partnership nominated the head teacher for an award at the Sheffield Schools

Sports Premium 2017 -2018 Overview of Proposed Spending

			Active Awards 2018 for 'Leadership in an active School'. The school are pleased to announce that the Headteacher was announced as the winner of this category in July 2018.
Development Coach from Points to come into school during Half Term 5 for one day over a period of 6 weeks.	£800	During Half term 5 school has secured the use of a development coach to come in for 6 weeks to work with two or more classes who have been not be as involved in activities available from outside providers. This year the coach will work with children and staff in Y6 and Y1 doing orienteering and first aid for the children in Y5. Children in Y5 will be Sports Ambassadors next year in Y6.	All children in Year 5 received a days First Aid Training. This will prepare them for their role as a sports Leader as well as for life. All children in Y1, Y3, Y4 and Y5 have had an introduction to Orienteering over this year – this equates to 58% of children in both Key Stages – 76% from KS2.
Deployment of PE specialist teacher to work with staff across the school (on a rolling programme) to support CPD in PE lessons and to work with specific groups of children over 6weeks.	£1,500	To increase the confidence of staff in the delivery of their lessons for children by working alongside them in an area they wish to develop – 3 staff members on each rotation. This year the PE specialist will assist in the delivery of PE with our NQT in FS, the Y1 teacher (job-share) and our NQT in Y5 to assist in the delivery of the dance curriculum. To work with School Sport's Leaders and train them to lead C4L club. To work with SEN children in KS1 and KS2 in order to improve gross motor skills.	Both NQTs and Y1 teachers have fully embraced the support in PE and lessons observed have been good or better as a result. One of the NQTs has taken responsibility for running a football club for Y3 and Y4 and has accompanied many children to sporting activities. Teachers are now confident in the teaching of dance. Sports Leaders have successfully led a C4L club all year. Supported on Sports Day and been a part of other events in school.
Block Entry Fee to Sheffield Federation for School Sports 2016-2017	£60	Allows children to compete in all Federation's sporting competitions run by athletics, badminton, basketball, cricket, cross country, football, hockey, netball, orienteering, rounders,	This year we have taken part in Sporting competitions including Athletics, Basketball, Cricket, Cross Country, Football, Gymnastics, Netball, Rounders and Swimming. We have

Sports Premium 2017 -2018

Overview of Proposed Spending

		rugby, table tennis associations.	competed locally, regionally and nationally. Our gymnasts have competed nationally and our cross country team qualified again for the South Yorkshire School Games. Not bad for a one form entry school!
Mini Kicks Education Platinum Package	£3,175	½ day per week throughout the year for a Sports Coach in school every Friday. The coach runs a lunchtime club for under privileged children in school, assists with the delivery of Sport for Foundation Stage and Year One children and runs an after school club for younger children including those in Foundation Stage, giving our younger children a taste of competitive sport.	100% of our disadvantaged children have taken part in a lunchtime sports club held every week. All children in FS and Y1 have experienced fun, active lessons. Many children from FS and Y1 have been recruited to attend an after school sports club, early morning gymnastics Club or Wake Up Shake Up club exposing them to an element of competition and fun, active lifestyles. Up to 50% of FS and Y1 have taken part.
What to do – Basic First Aid for 1 class (half day) to work with children re first aid.	£150	During Half term 5 Children in one class (aside from Y5) will receive first aid training from an outside provider. We are currently going to target Yr 1.	Y5 were targeted this year. Positive impact, increased confidence and an increase in children volunteering to be Sports Ambassadors. All children in Y5 have an awareness of basic first aid.
Payment for a gate to be inserted in the perimeter fence at the opposite end of the field (from the current gate).	£975	The school undertakes 'Run a Mile' every afternoon where the children can run or walk a route around school. The additional access will allow for the 'Monday Marathon' to take place as a variation of the run during the week. The gate will also allow Sports Day to include a longer run for all children in the coming years.	The gate has allowed better access to the field from KS2 which has meant that we can utilise a better route for the 'Mile a Day' and use the space better on Sports Days and during PE.
To pay a contribution towards the cost of transport to the Network Games for	£250	The Network Games are held annually at the English Institute of Sport in Sheffield. The Sports	Our Y4 class achieved 2 nd place at the Network Games. Increase in volunteers for various

Sports Premium 2017 -2018

Overview of Proposed Spending

a class of children to take part in a multi-activity festival. To pay a contribution towards the cost of transport for the whole class to attend.		Premium pays for a contribution to the cost of transport for the whole class to attend the event.	sporting activities in school (Cross country, Football, Swimming etc). Entry to more competitions and not reliant on parents for transport – more sense of ‘Team’ for the children.
Key Stage 1 Competition package plus a contribution to transport,	£350	This allows for children in KS1 to attend organised events throughout the year - Key Stage One football Competition in Autumn Term, Sports Hall Athletics in Spring Term and Cricket in the summer term. This has included children from FS, Year 1 and Year 2, allowing them to compete with other KS1 pupils.	KS1 children took part in a football competition in the Autumn term (returning as Champions) and a cricket festival at Norton Oakes.
To pay for some of the entry fees to different competitions (approx) throughout the year including gymnastics, climbing etc	£80G £30G £45C	Entry Fees for competitions that are not part of the Sheffield Federation for School Sports.	Allowed participation at a number of events – see table at the end of this document.
To provide additional swimming lessons for Y3 children following Y4 (funded by the LA). Children (in Y5/6) who have not reached the required standard of 25m may also continue with lessons. We aim for all to children to have opportunities to achieve the required standard of 25m by the end of KS2. Focus on Keeping Fit and Healthy.	£2820	All year 4s attend swimming as part of the curriculum funded by the local authority. We believe that swimming is a very important skill and in order for children to reach the required standard of being able to swim 25m at the end of KS2, we use some of the Sports Premium for the Year 3 class to attend 18weeks of swimming over the year. This also prepares the Year 3 children for their chance to take part in the annual swimming gala at Ponds Forge.	National Curriculum expectation – at the end of Y6 children should be able to swim 25m. Year 4 - 97% at the end of 18 weeks have achieved National curriculum. 44% can swim in excess of 25m in Y4. Y3 – 77% at the end of 18 weeks have achieved National Curriculum 25m. 74% can swim in excess of 25m.
To provide a practice session for children who are taking part in the swimming gala in the Spring Term.	Cost to hire swim		No practise session this year.

Sports Premium 2017 -2018

Overview of Proposed Spending

	teacher for one of sessions		
Contribution towards the provision of transport to and from events such as the Network Games (whole class), Y5/6 athletics/ Sports Hall Athletics, School Games Cross Country and to other events as necessary depending on timings and distance, thus allowing more children to take part. Use of mini-bus from Meadowhead.	£1000 approx	Our children take part in many events throughout the school year. Where possible, we will walk to the event or use public transport. If the distance is great we use a coach or the mini-bus hired from our feeder secondary school. This enables all children to take part including our disadvantaged children.	4 th Place Y3/4 Boys at SY Schools Cross country. 2nd Place Y4 children at Network Games. Winners of KS1 football Gymnasts many successes including 16 th place Nationally. Swimming Gala 2 points between us and bronze medallists. Enabled children to attend Gifted and Talented event and for children who have not competed, to attend C4L event run by Sports Partnership
To provide cover for the PE co-ordinator to attend Sports Conferences and Meetings.	£300	To provide cover when school attends the Conferences and meetings organised by the Partnership.	Member of staff from school has attended when the head teacher has been unable to.
To provide 'Wake Up, Shake Up' Breakfast Fitness Club on four mornings per week before school.	£3,040	For four mornings a week we run a 'Wake Up, Shake Up' circuit training club in school from 8am until the start of the school day. Specific children in school are invited to join in or they may request to join. This is part of our drive to keep children fit and healthy and goes towards our Healthy Schools Status. The club runs all year round.	Wake Up Shake Up progressed from 2 to 3 to 4 mornings per week and the number of children wanting to attend rose. This will continue in 2018-2019 and we try to attract more children.
To purchase Active Maths Resource for school. Discounted price through membership of the Sports Network.	£495	Active Maths is a web based programme of resources/lessons for maths that are active and require the children to move around more. All	Active maths purchased and used throughout school. Children enjoy maths lessons as a result and are more active. In recent pupil

Sports Premium 2017 -2018 Overview of Proposed Spending

		classes have access to this resource and it has been used successfully through school to encourage children to be active in their learning and to engage more pupils in Maths.	questionnaires, pupils now identify maths as one of their favourite subjects as well as PE.
To purchase netball kit for children attending Friday Netball Club including skirts and bibs alongside a contribution from a parent of £100.	£300	One Member of staff received training through our Sports partnership to run Netball for girls in school. Staff member ran the club in conjunction with a netball coach and now runs the club every week in school. In order to raise the profile of the netball club in school, we have purchased bibs and posts to allow the club to grow and continue.	Children are proud to wear the Norton Free Netball team Kit and the number of children taking part has increased. We have been able to increase the number of matches played (both friendly and as part of the league) as a result. Netball has become an established Team at Norton.
To purchase medals for children who take part in events at the weekends e.g Cross Country, swimming gala, Football, Sports Day etc. Weekly Sports Assembly raises the profile of the number of sports in school and how active we are (Mile a Day) in order to stay healthy.	£300	Children are rewarded for giving up their time out of school hours (Saturday/ evenings etc) and for showing perseverance and team spirit when taking part in competitions. This is in the form of medals and certificates awarded in Sports Assembly, photographs on the school board/ website and Sports Personality of the Week for example, thus raising the profile of PE and School Sport.	Every child who participated in Cross Country and the Swimming Gala received a medal this year. Certificates are presented to children who take part in any event. Sports Day stickers presented and a contribution to the cost of engraving the school trophy for this year's winners – Don.
Skipping Workshop for the whole school. Purchase of a class set of ropes to encourage children to keep on skipping.	£295 £140	During the summer term all children had the opportunity to attend a skipping workshop to learn basic skipping skills and test themselves to see if they could improve their skipping technique. Children performed in a whole school assembly at the end of the day. School also purchased a class set of ropes for children to use at lunchtime/ break times so children have the opportunity to engage with at least 60 minutes of	Skipping (alongside the Mile a Day) is now one of the activities on offer in school at lunchtime as a part of our commitment to increasing the physical activity of children during the day (in addition to 2hours high quality PE).

Sports Premium 2017 -2018 Overview of Proposed Spending

		moderate to vigorous physical activity each day.	
Y6 World Cup Football day	£380 including transport to and from the event.	As a reward for children in Y6, the whole class has been entered for the World Cup Football Day at Sheffield United Academy competing against other schools and making community links.	Children in Year 6 took part in the Youdan Trophy representing Peru, Panama and Columbia. This was an inclusive event and all children attended and were presented with a 'goody bag' at the end of the event.
Basket Ball Wow Day for the whole school towards the end of the summer term.	£500	Towards the end of the summer term and as a continuation of our drive to allow children to experience as many different sports as possible, we will be holding a Basket Ball Wow day for the whole school. This features a player coming into school from the 'Harlem Globetrotters' – children will meet him and attend a coached session about basketball.	All classes in School took part in the Basketball Wow Day (except Y6 who were on a residential). Here they met a former player from the Harlem Globe Trotters. Each class had a specific amount of time with him to practise skills, meet the player and ask questions. A very successful, enjoyable day!
Our gifted and talented children will attend a Talented Sports Pupils' workshop at Ponds Forge in June 2018. 14 children will attend (approx. 3 from each year group in KS2 plus some talented children in KS1).	£400	The cost for each child to attend is £20 plus a contribution towards the cost of transporting the children to and from Ponds Forge. This is organised through our Sports Network.	14 children from across KS2 (identified on our Talented register) took part. The children experienced a workshop designed to show them the technology and elite training styles used within professional sport. The children took part in a number of activities. They were timed using electronic speed gates, they used a dynamometer to test strength, a 'sit and reach' box to test flexibility and a light censored reaction tester and pressure mat to test velocity! The children then took part in a strength and conditioning circuit. The last session was a judo taster session with the

Sports Premium 2017 -2018 Overview of Proposed Spending

			double European silver medallist Sophie Cox.
Performance against the 5 key indicators: - The engagement of all pupils in regular physical activity. - Raising the profile of PE and School Sport across the school as a tool for whole school improvement - Increased confidence, knowledge and skills of all staff in teaching PE and Sport - Broader experience of a range of sports and activities offered to all pupils - Increased Participation in competitive Sport 		- The engagement of all pupils in regular physical activity. Mile a Day every afternoon with a different focus each half term. This is part of our commitment to providing 30 minutes per day of physical activity per day as well as 2 hours per week of High Quality PE lessons. We have also purchased Active Maths this year in an effort to make our lessons more active and we are looking to develop this further in other subjects. There are many opportunities for children to try different sports through workshops and inviting coaches/athletes into school. The recent skipping workshop has fostered a love of skipping at playtimes. Whole School Sports Day is a real family event with KS1 in the morning, followed by a family picnic on the field, with KS2 Sports Day in the afternoon. Our weekly Sports Assembly shares and celebrates where children are active in or out of school. - Raising the profile of PE and School Sport across the school as a tool for whole school improvement. Physical Education and School Sport is a huge part of school life. We firmly believe that healthy, active children learn better and it is always included in our school development plan. We introduced the Mile a Day in 2016 and this has given opportunities for the children to integrate more (KS1 and KS2) as well as keeping fit. It has had a positive impact on behaviour in the afternoon. We have a weekly 'Sports Assembly' where we celebrate sporting activities undertaken in school and outside of school. Photographs of children involved in these activities are shared on a Power Point in assembly, on the website and some of these are on display in school. - Increased confidence, knowledge and skills of all staff in teaching PE and Sport: We work with our Sports Partnership (Points) and as part of our school programme of CPD we have a specialist PE teacher in school every year for 6 weeks. The Specialist PE teacher works with our staff to plan, deliver and assess lessons over this 6 week period. Staff are identified on a rolling programme and choose an area of the PE curriculum that they would like to develop. We have also accessed staff training with coaches for specific sports to help with delivery of After School Clubs in school. As a result we have staff who are confident to lead After School clubs for football, netball, athletics, cricket, dance, Wake Up Shake Up,	

Sports Premium 2017 -2018

Overview of Proposed Spending

skipping and rounders.

- Broader experience of a range of sports and activities offered to all pupils
- Increased Participation in competitive Sport

Please refer to the table below. This outlines the activities we have offered this year, the percentage of children that have been involved in each year group and where children have represented the school on more than one occasion in more than one sport.

Impact of Sports Premium Spending within school 2017 - 2018			
Year Group	% of class who have represented the school in a particular sport.	% of class that have sampled a different sport in school.	Sports that the children have been given opportunities to experience throughout the year:
Year 1	7% have represented school	100%	Athletics , Basketball, cricket, football, gymnastics, judo, skipping workshop, orienteering,
Year 2	58% have represented school	100%	Athletics, Basketball, cricket, football, gymnastics, judo, skipping workshop, orienteering,
Year 3	74% have represented school 39% in more than one sport	100%	Athletics, Basketball, cricket, cross country, football, gymnastics, gifted and talented workshop, judo, orienteering, rugby, skipping workshop, swimming,
Year 4	100% have represented school 37% in more than one sport	100%	Athletics, Basketball, cricket, cross country, football, gymnastics, gifted and talented workshop, judo, orienteering, rugby, skipping workshop, swimming, Network Games
Year 5	100% have represented school 70% in more than one sport 42% in up to 8 different sports	100%	Athletics, Basketball, climbing, cricket, cross country, football, first aid gymnastics, gifted and talented workshop, judo, Outdoor and adventurous activities, orienteering, rugby, skipping workshop, swimming, C4L event.
Year 6	100% have represented school 60% in more than one sport 20% in up to 6 different sports	100%	Athletics, bench ball, climbing, cricket, cross country, football, gymnastics, Gifted and talented workshop, judo, Outdoor and adventurous activities, orienteering, skipping workshop, swimming, Whole class football – Yudan trophy.

Total spend

£18,885

Sports Premium 2017 -2018 Overview of Proposed Spending

Meeting national curriculum requirements for swimming and water safety.	
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	97%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	97%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	97%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes/No
